Testimonials

OUR CLIENTS' OPINIONS ARE IMPORTANT TO US

66

"As a woman living in Qatar, I was initially nervous about joining a new real estate agency, but Retaj exceeded all expectations. From the respectful environment—like their in-office prayer space—to the outstanding service, everything impressed me. Mohamed Ghonim was incredibly helpful, patient, and ensured I found the perfect apartment. He went above and beyond without focusing on commission. Mohamed Nhari, the Maintenance Manager, was just as amazing—handling everything from emergency repairs to small personal favors, even coming at 3:30 AM during Ramadan to help me. Overall, Retaj is a highly professional and caring company to rent from."

by Elle Blanche Mambetov

66

"I've been living in Doha for a while, and moving into Retaj's Umm-Ghuwallina 45 apartments was a great experience. The building is clean, new, and the apartments are just as spacious as advertised. Mr. Fazil was professional, helpful, and never pressured us—giving us time to decide. After moving in, he continued to assist with furniture and maintenance needs. The location is convenient, with easy access to the metro, restaurants, and supermarkets. Fazil's exceptional support and customer service truly made a difference. I highly recommend Retaj—and working with Mr. Fazil."

by Ankur Vij

66

"I've been with Retaj buildings for 3 years now, and I can confidently say the experience has been outstanding. They're always quick to respond, easy to deal with, and consistently professional. Everyone I've interacted with is polite, respectful, and genuinely helpful. Maintenance requests are handled efficiently, the buildings are well-kept, and security is always present and reliable, giving great peace of mind. Retaj truly sets a high standard for tenant care and service—highly recommended for anyone looking for a hassle-free rental experience."
